

She didn't feel she had a choice. **You do.**

Join us to unite against child exploitation.

Child exploitation can take a range of different forms, from physical abuse, emotional, or sexual abuse and involves the manipulation and/or coercion of young people under the age of 18.

This can sometimes be in exchange for things such as money, gifts, accommodation, affection or status.

You can help to stop this.

If you see something, *say something*
