**Brighter  
Futures for  
Children**

**Happy Easter!** We are hope that you are safe and well. Here is a set of Easter themed activities that you may want to have a go at while staying at home. Some of the circles contain links for you to click on.

## **EASTER CARD**

Use any craft resources that you have to make your own card!

## **TREASURE HUNT**

Why not have your own treasure hunt, hide different items around the house/ garden and send your child on a mission to find them all. Get them to count how many things they have found off their list!

## **COSMIC YOGA**

Peter Cottontail, the bunny, goes an Easter egg hunt. Follow the link on the next page for an Easter themed yoga session. Have fun!

## **EASTER BASKET**

Can you make a basket that can hold an egg? You could use card, building blocks, sticks, junk modelling, etc. Is your basket big or small? How many different materials have you used, what do they feel like?

## **EASTER COLOURING SHEET**

Have some fun and decorate the colouring sheets. What colours have you used? Who have you made it for?

## **EGG DECORATING**

Let's get creative and design an Easter egg from scratch! You can use paper, card, junk modelling, crayons, paint, glitter, use what you have at home.

## **EGG + SPOON RACE**

Can you compete with your family balancing an egg or toy on a spoon? Who can balance the egg for the longest?

## **WHAT IS EASTER?**

You could research the meaning behind Easter and create a list of everything you have learned.
