

Reading Borough Council is the Admission Authority for these community schools and places have been allocated according to Reading Borough Council's published over-subscription criteria as outlined on page 67 of the Guide for Parents and Carers 2020-2021. Applications for all schools were considered equally taking no account of preference order. Where it has not been possible to offer places to all children in one category the tie-breaker has been applied, which prioritises those eligible for early years pupil premium (EYPP) then uses the straight line distance from the home to the school. The last distance offered included and the number of EYPP children is in brackets if these children have been prioritised. The distance is measured in miles using RBC digital mapping software.* random allocation used for when two or more distances were same measurement.

Admissions to Voluntary Aided and Academy Schools 2020

The places at these schools have been allocated according to the Admission Policy of the Governing Body of the schools, as explained on the relevant page of the Guide for Parents and Carers 2020-2021. Where it has not been possible to allocate all the children in one category the tie-breaker has been applied and the last distance offered is in brackets. The distance is measured in miles using RBC digital mapping software.
