

READING YOUTH COUNCIL
CONFERENCE 2021

PRESENTS:

REMAINING
HOPEFUL

Remaining hopeful

Our message today has been to remain hopeful. We have looked at the positive effects coronavirus pandemic has had on our world and hope you can now consider ways that you will remain hopeful in helping the Earth in 2021. While people all across the globe have faced challenges beyond anything in our lifetime, the resilience of you, the young people of Reading, has shone through and we hope that you have learned ways to look after yourself to remain positive and hopeful in the year ahead.

Our thanks to you

We understand how challenging online learning has been for students this year and that this has been another online learning programme. Our conference has evolved from a live event, to a live virtual event, to the conference you have just finished and as a thank you for taking part, we'd like to enter you and your school into our prize draw!

What could I win?

Group Prize

The school with the most participants will be invited to join an activity day in July, to celebrate the end of term, the start of the summer, and the end of a challenging academic year!

Interested in getting involved with RYC?

Our next elections will be happening in December 2021 and are closed for this cohort. But there are still many opportunities be involved in the youth council.

If you are interested in finding out more, or have questions, have a look on our website [here](#) where you'll also find some more of the things we have been working on.

Thanks again!

Thanks for joining us for this event, with a difference!

This is the last presentation so please return back to the event/link to survey monkey and finish the last few final questions.

One of these is important if you want to win a prize – it's just giving us your name! :)
