Supporting the Journey to Employment

Then a Supported Internship could be right for you

A supported internship is a college course mainly carried out in the work place where you will learn new skills which will help you find a job and find out what it takes to be a good employee.

Why do an Internship?

- You will learn the skills an employer is looking for
- You will have support in the work place from qualified Job Coaches
- It will help you become more independent
- It will give you the chance to try different jobs
- A Job Coach will support you to try & find paid work after the Internship ends

How does an Internship work?

- You will be in education, enrolled at college or school or have just left
- It starts in September and ends in July
- You will spend 3 or 4 days a week at work & 1 or 2 days at college/school
- The work placement is unpaid but the aim is to improve your chances of getting paid work

Who can apply?

- You will have special educational needs & an Educational Health & Care Plan
- You need to be 16 to 24 years old (minimum age 18 at the Hospitals)
- You will be motivated to work and become more independent

Where are the Internships based?

Currently in 12 locations - **WE HAVE A FEW SPACES LEFT TO START IN SEPTEMBER 2021**

- Childcare internships at a school in Woodley
- Horticulture/Maintenance internships at Dinton Pastures
