Additional Provision Information

Young Giants is a specialist tuition service providing bespoke tuition and mentoring support packages for learners with a range of SEND (including complex needs/PMLD), neurodiversity, SEMH, those missing education, 6th day exclusions and those at risk of permanent exclusion.

We are a managed service (not a tuition agency), meaning we take full responsibility for the education services we provide. Our team of qualified teachers work on a caseload basis, forming part of the TAC for the learner and attending all support meeting for that learner. We ensure commissioners receive regular progress updates and attendance reports.

Based on the needs of the learner, our support takes the form of 1:1 tuition in homes, schools or venues within the community. Where possible and safe to do so, we afford the opportunity for peer interaction amongst our learners with a focus on school transitions.

Placing a strong focus on removing barriers to learning, our tuition incorporates the right amount of academic mentoring for the development of a Growth Mindset, positive behaviour for learning, academic confidence and personal ambition within the child.

We are an approved **ASDAN centre**, offering a range of '**preparation for adulthood**' pathway courses. These courses are suitable for a wide range of learners including those with PMLD. We are also an approved **Arts Award centre** offering Arts Awards Bronze and Silver. These

awards, courses and qualifications have a significant impact on the academic confidence of our learners, supporting them to re-engage with education as a whole.

From Christmas 2023 we will be offering **Functional Skills exams** in-house, saving our learners from having to attend an outsourced exam centre to obtain their qualifications.

Pastoral Support Offered – please provide a summary of the pastoral care you provide

We support learners with mentoring support focused on re-engagement in education and behaviour for learning. Mentoring programmes support learners to access the community, reflect on their past experience of education, build their confidence and focus on their future. To supplement mentoring we provide **ASDAN Life Skills Challenges** and other **ASDAN Preparation for Adulthood courses**.

Service Provider Benefits – please list the main benefits of your provision

1. Bespoke learning in the location needed by the learner (home or community space)
2. Dedicated in-house team (all qualified teachers) tasked with overseeing the effectiveness of the provision and problem solving when a learner is faced with barriers to accessing the education on offer
3. Chance for out of school learners to still obtain qualifications and nationally recognised courses to support them in their educational pathways (Functional Skills, ASDAN)
4. Guaranteed involvement in each case from a member of management who are all fully qualified teachers – attendance at TAC meetings and other support meetings
5. Flexible booking with short cancellation terms.

Provider Outcomes – please list the main outcomes

1. Re-engagement in education for hard to reach learners
2. Qualification acquisition for those who are out of school (Functional Skills and ASDAN)
3. Supporting school transition
- 4.
5. Max 10.
