Boost

A course that will guide and support young people to understand their strengths, motivating them to take their next steps towards their future career. Small group delivery, confidence building sessions.

Achieve Programme

This programme is specifically for young people with an EHCP. The course teaches life skills to support young people to live independently. There is a focus on practical life experiences such as cooking, planning and booking trips, embedded Maths and English.

Supported Internships

A supported internship is a college course mainly carried out in the work place, where you will learn new skills which will help you find a job and find out what it takes to be a good employee.
