### Additional Provision Information

Player Ready Level Up! Alternative Provision offers specialised digital and technological education through coding, VEX robotics, Minecraft Education, virtual reality, digital skills, and game design. Player Ready are advocates of education through play and interaction, working towards individual SEND and SEMH outcomes while enhancing technological and creative skills aligned with STEM subjects, such as science and maths. Lessons are bespoke and child-led to offer a fun, safe, and positive experience of learning through technology. Consistency fosters positive relationships between mentors and mentees making the sessions more than just educational—they are a pathway to confidence, improved social skills and personal development, ultimately empowering young minds in a digital age. AQA Unit Awards are available for those wanting to work towards certifications. Player Ready offer a flexible timetable with sessions available outside of school hours by arrangement with the commissioner.

### Pastoral Support Offered – please provide a summary of the pastoral care you provide

All Children & Young people are assigned a dedicated mentor who will build a positive relationship with them to provide the support needed to engage with the provision.
