Additional Provision Information

Change education works with educational institutes to provide onsite & online tuition where possible. We work with councils, schools and alternative provisions to provide tuition on a 1:1 or small group basis.

Change Education offers a diverse range of specialist support staff, including Tutors, Teaching Assistants, Learning Support Assistants, Mentors, and Counsellors. They are available to provide one-on-one and small group tuition both in-school, community setting, home based and online, on a national basis. All our candidates would undergo our vigorous vetting guidelines and hold valid DBS. Tutors would also have safeguarding training and be specialist in their subject fields.

Our specialist tutors possess the following qualifications and skill sets to ensure high engagement and strong learning outcomes for your pupils:

Qualifications: PGCE, QTS, HLTA, TA Level 2 & 3, STEM Degree, Degree (subject specialism), Counselling and Mentoring certifications.

Experience: Backgrounds as Teachers, Tutors, Youth Workers, with experience in counselling/mentoring, social work, and Special Educational Needs (SEN).

Subject Areas: Expertise in English, Math's, Science, MFL, Humanities, Numeracy, Literacy, Functional Skills, GCSE, SATs, KS1 & KS2 and A-Level.

Engagement & Impact: We utilise a bespoke platform to track each session, ensuring that our service delivers tangible impact and benefits for pupils.

What we do:

- We organise tuition with parents/schools directly so we can understand the needs and educational gaps for the students.
- We can provide at home tuition or tuition in a public space- such as a public library
- We can provide online tuition
- We can provide tutors with experience working with students with complex medical, SEMH, behavioural or other additional needs
- Once we have identified the individual needs of the student and matched them with a suitable tutor, we organise a meeting prior to the tuition starting so they can prepare and plan lessons accordingly.
- Weekly updates/reports are provided to the school to detail students' progress.
- Regular review meetings are held to ensure that objectives are met.

Change Education leverages its bespoke-specific software solution, Tutexa, to deliver recorded tutoring sessions for all students enrolled in our tutoring programs.

Key Features:

- **Seamless Communication:** Schools can effortlessly communicate with assigned tutors regarding lesson objectives, curricular alignment, and individual student needs. All communication is visible to administrators, ensuring transparency and collaboration.
- **Comprehensive Online Classroom:** Our integrated online classroom offers a full suite of tools essential for high-quality online tutoring. This includes video chat, interactive whiteboards, document editors, and screen sharing. The platform is user-friendly across all modern devices and is fully safeguarded to protect students.
- **Efficient Attendance Tracking:** Schools can easily monitor student attendance for both in-person and online lessons. Additionally, they can access tutor feedback, ensuring that tutoring is effective and contributes to student achievement, all without adding administrative burdens.
- **Streamlined Feedback System:** Tutors can provide detailed feedback for each student after every lesson and communicate with schools regarding student progress and tutoring needs.
- **Quality Assurance:** A robust rating system ensures that we collaborate only with the highest-rated tutors, maintaining a standard of excellence across our tutoring programs.
- **Secure and Trusted:** Already trusted by numerous schools, the platform is e-safeguarded, ensuring the secure storage of confidential data.

Measuring and Reporting

Our platform's agency administration module enables the export of data to generate detailed reports, effectively measuring and showcasing the impact of our tuition services.

Tuition can be tailored to individual needs, offered on a 1:1 basis or in small groups as required. Whenever possible, we prioritize 1:1 support, as this approach consistently yields the most significant progress in both academic achievement and self-confidence.
