### Additional Provision Information

We offer Alternative provisions to students of primary and secondary age to offer a tailored approach to support physical, emotional and educational support to help mentor young people, challenge their minds and motivate them- giving them the confidence they need to be successful in life and prepare them for the next educational setting.

We work with local authorities, schools, teachers, parents and social-care institutes to engage young people in learning and put them on the path to an incredible future and supporting transition to their next setting. By tapping into children's interests, we're able to better connect with them and engage them for longer – giving them the best possible chance of excelling.

Whilst we provide AP support at our settings we also offer outreach and in school provision and support.

We are able to offer tuition services and can provide functional skills maths and English. All services include reports, TAC and Annual review meetings etc

**Pastoral Support Offered – please provide a summary of the pastoral care you provide**

Our pastoral support is weaved throughout everything we do at our AP settings. Our SEMH focus for each young person is underpinned by our learning drivers and young people have timetabled personal development activities based around their interests. Our staff have a wide range of skills and qualifications from ELSA through to boxing and music and video production. Whilst we have group PSHE lessons and topic activities we also have individualized timetables where we focus heavily on behaviour strategies, respect for others and any other agreed targets through activities that interest the individual.

**Service Provider Benefits – please list the main benefits of your provision**

1. A Focus on EHCP and Commissioning agreed Targets
2. SEMH based activities
3. Re-integration support and strategies
4. Wide variety of provision and staff skill sets
5. Regular progress reporting and TAC meetings.

**Provider Outcomes – please list the main outcomes**
