

**Brighter
Futures for
Children**

Is your child accessing their early years funding entitlement and receiving a Disability Living Allowance?

Did you know your childcare provider could receive extra funding per year for your child's early education?

They can use this funding for equipment, resources or making adjustments to their settings to support your child.

Speak to your childcare provider about the Disability Access Fund or visit readingfis.org

Brighter Futures for Children is a not-for-profit company, wholly owned by, but independent of, Reading Borough Council.
