

Early Years, SEND and Childcare Service

Continuous professional development programme: Autumn term 2026

We are delighted to offer a comprehensive programme of training, networks and professional development opportunities for Early Years and Childcare providers, Family Hub staff, wider professionals, and volunteers working with children and families in Reading. Designed to support those working across the sector, the programme aims to strengthen knowledge, skills and confidence across a range of key areas, enabling services to deliver high-quality care, education and support for children and their families.

Whether you are looking to enhance safeguarding practice, strengthen leadership, develop inclusive provision, or support children's wellbeing, our training opportunities are designed to promote continuous improvement and professional collaboration. Alongside training, our network meetings provide valuable opportunities to connect with colleagues, share best practice, stay informed about local and national developments, and contribute your views to help shape future services and support.

If you cannot find the training or support you are looking for, please let us know. We welcome your feedback and suggestions and will continue to develop our offer to meet the needs of the workforce.

We look forward to working with you to support the best possible start for all Reading's children.

Safeguarding Workshop 2 – Unconscious Bias	This is the second in a series of six safeguarding workshops designed to build on the knowledge gained in the Universal Safeguarding Training. An opportunity, through practical activities and discussion with your peers, to support an open and positive safeguarding culture that puts children's interests first. Unconscious bias in safeguarding involves automatic stereotypes – based on race, gender, age or class that can cause professionals to misinterpret risks, overlook abuse, or treat individuals unequally. The workshop will help you to actively challenge assumptions to ensure equitable protection for all. Book via email or the SLA.	9 September 2026 6.30-8.30pm	Civic Centre	FREE
