Elevate Summer careers fair

The Elevate Careers team is holding their annual summer careers fair in Reading on Thursday 9 July.

Come along to meet employers and find out about courses, apprenticeships (where you get paid while you learn a job), and other opportunities. You can also chat to an Elevate careers coach who can help you figure out your next steps or find a job.

Music course -Readipop

Readipop are offering a free intensive music course during the summer holidays (3-7 August 2026) in their newly renovated studios and workshop. Learn about recording, music composition and production working towards a showcase gig. Gain knowledge of the music industry and how to promote your music.

Community activator coach apprentice - GLL

Assist the centres in delivering and growing their dry side sports provision which includes, racquet sports, football drop ins, outreach events. This will include planning activities as well as delivering feedback to participants and their parents as required. You will also be asked to work in other areas of the leisure centres by setting up/ down equipment, working in the extreme areas and soft play.

Careers in childcare in Reading

Childcare is a rewarding career with lots of opportunities in Reading. As an apprentice you don't need any previous experience. You'll be supported by qualified staff and study topics like child development, building positive relationships and keeping children safe, while working towards a childcare qualification.

Customer assistant Vue cinema

Our customer assistants are the essential link between our business and our customers. From day one, you'll act as a brand ambassador offering great customer service to help us deliver our mission of being the home of the ultimate big screen experience. You're not required to have prior working experience to be a successful customer assistant, but you must have enthusiasm and passion.

Apprentice educator N Family Club

As an apprentice educator at N Family, you'll gain hands-on experience while working towards your apprenticeship in early years (Level 2 or Level 3). Rotating around the nursery rooms, you'll give safe and inspirational care to every child you work with.
