Apprentice electrician

Applicants need to have GCSEs English, maths and science at grade 4 or above. Most of the apprenticeship is spent working. Your duties will include installing electrical services, inspecting and testing electrical installations, diagnosing and fixing faults on a range of circuits and equipment

Apprentice industrial plumbing and heating engineer

You will need to have GCSEs English, maths and science at grade 4 or above. Duties include installing mechanical services such as heating and chilled systems, fan coil units, radiators, boilers, chilled beams.
This opportunity will be closing on 10 April 2026.

Chef apprenticeship

No experience or qualifications needed. If you don't have GCSEs (or equivalent), you can work towards Functional Skills in English and maths. As an apprentice chef at Harvester you'll learn the menu and help create dishes guests love. You'll enjoy the buzz of a busy kitchen while being supported by a friendly, close-knit team.

Careers in childcare in Reading

Childcare is a rewarding career with lots of opportunities in Reading. As an apprentice, you don't need any previous experience. You'll be supported by qualified staff and study topics like child development, building positive relationships and keeping children safe, while working towards a childcare qualification.

Retail assistant

Your job is to help keep the store looking great so customers have the best shopping experience. With part-time hours, you'll have flexible shift options. You'll also get a good rate of pay and become part of a supportive team that looks out for each other.

Café assistant

This is a part-time, mixed role working in both the café and in the kitchen. Your main tasks include welcoming and serving customers with a smile, handling cash, helping with cooking and food preparation and keeping the café clean and inviting. You'll support the smooth running of daily operations as part of the team.
